About Us

Shyam Metal was founded in 2013 as a prime manufacturer and supplier to provide high-quality stainless steel products. With a focus on durability, quality, and innovation, we offer a diverse range of products such as stainless steel railings, stainless steel posts, stainless steel balusters, stainless steel pipes, stainless steel banding, steel safety doors, and stainless steel pillars. With more than a decade of expertise and experience, we deliver superior stainless steel solutions that combine strength and functionality.

Our manufacturing unit and dedicated team are the cornerstones of our success. We have a state-of-the-art manufacturing facility with advanced machinery and technology to meet the rigorous demands of our clients. Our team of skilled engineers optimises production efficiency and ensures the highest standards of quality control. They have vast knowledge of the production process that allows the company to offer high-end products that are both functional and sturdy.
