

## Welcome Message from The General Chairs

On behalf of the General chairs and on behalf of the Organizing Committee, it is our honor to welcome you to the 2023 IEEE 7th International Conference on Smart Internet of Things (IEEE SmartIoT 2023), sponsored by IEEE and IEEE Computer Society.

The aim of the conference is to provide an international forum that brings together researchers from academia and practitioners from industry to exchange advances in recent research work on all aspects of Internet of Things. We are pleased that SmartIoT 2023 is held in Xining this year. Xining is an ancient plateau city with a history of more than 2100 years. It was called xipingting in ancient times. It was the place where Zhao Chongguo the general of the later Han Dynasty, settled his fields, the capital of Nanliang, the throat of the Tang and fan ancient road, the main road of the South Silk Road, the gateway of the Qinghai Tibet Plateau to the Central Plains and one of the birthplaces of Hehuang culture. It has been a bright "Pearl of the plateau since ancient times Leave the most perfect scene.

The technical program committee worked hard to guarantee a successful conference. The proceedings of the Conference will be published by the Computer Society Press (CPS) and the IEEE Explore and the IEEE Explore. Many individuals have contributed to the success of this high caliber international conference. We would like to express our special appreciation to the Steering Committee Chairs for giving us this opportunity to hold this prestigious conference and for their guidance on the conference organization. We would also like to give our thanks to all the members of the Organizing Committee and Program Committee members for their efforts and support.

We are grateful to the authors of all submitted papers for choosing SmartIoT 2023 as the forum to present their work. I hope that all in attendance at SmartIoT 2023 will find this event intellectually stimulating and professionally rewarding.

Thank you. We look forward to welcoming you in Xining and online meeting in August 2023.
