 - c. to contribute to the responsible development of related industries such as the live music, entertainment, tourism and hospitality industries.
2. In order to secure the objects of this Act, each person who exercises functions under this Act (including a licensee) is required to have due regard to the following:
 - a. the need to minimise harm associated with misuse and abuse of liquor (including the harm arising from violence and other anti-social behaviour),
 - b. the need to encourage responsible attitudes and practices towards the promotion, sale, supply, service and consumption of liquor,

Community impact test

Under section 48(5) of the Liquor Act 2007, the delegate must not grant a licence, authorisation or approval of a kind prescribed by section 48(2) of the Act unless the Authority is satisfied, having regards to the Community Impact Statement, where required, and any other matter the delegate is made aware of during the application process, that the overall impact of the licence, authorisation or approval in question being granted will not be detrimental to the local or broader community.

The test applying under section 48(5) relates to delegated decisions in relation to:
