<b>Application for</b>	Packaged liquor licence
<b>Application date</b>	19 January 2023
<b>Decision date</b>	17 May 2023
<b>Licence name</b>	Thai Kee Grocer
<b>Trading hours</b>	Monday to Saturday 10:00 AM – 09:00 PM Sunday 10:00 AM – 08:00 PM
<b>Premises</b>	World Square Shopping Centre Shop MM8 644 George Street SYDNEY NSW 2000

**Decision of the Independent Liquor & Gaming Authority  
Application for a packaged liquor licence – Thai Kee Grocer**

We **approve** the application above under section 45 of the *Liquor Act 2007* — with the conditions set out in Schedule 1.

**Trading on a Sunday that falls on 24 December**

If a Sunday falls on 24 December, the 6-hour closure period overrides the statutory provision that would otherwise allow the licence to trade from 8:00 am. Under the 6-hour closure period for the current licence, the premises must not trade earlier than 10:00 am.

**Approved manager or individual licensee**

The licence cannot be exercised until the Authority or Liquor & Gaming NSW is notified that:

- the licence is transferred to an individual licensee, or an approved manager is appointed; and
- the licensee or approved manager is a suitable and qualified person.

**Mixed-use checkouts must be closed outside licensed hours**

Under section 103(2) of the Act, any counter or place used to sell or supply liquor under the licence, including any mixed-use checkouts in the liquor sales area, must be closed to the public outside the licensed trading hours.

### **Statement of reasons**

The statement of reasons will be published on the [Liquor & Gaming NSW website](#) in accordance with section 36C of the *Gaming and Liquor Administration Act 2007*.

### **If you have any questions**

Please contact the case manager, Andy Whitehead, at [Andrew.Whitehead@liquorandgaming.nsw.gov.au](mailto:Andrew.Whitehead@liquorandgaming.nsw.gov.au) if you have any questions.

Yours sincerely

## STATEMENT OF REASONS

### Our decision

We have considered the objects of the *Liquor Act 2007* (the Act) and the relevant legislative provisions and have approved the application under section 45 of the Act.

Overall, we are satisfied that the social impact of approving the application will not be harmful to the well-being of the local or broader community.

The decision achieves the aim of the Act to regulate the liquor industry to meet the community's expectations, needs, and aspirations, while also promoting a balanced and responsible development of the industry.

### Our main findings

The local community for the purposes of this decision is Sydney. The broader community is the Local Government Area (LGA) of Sydney.

#### Positive social impacts

We are satisfied that the proposal would benefit the local and broader communities by offering the convenience of one stop shopping and an alternative to mainstream liquor outlets for residents, workers, and tourists in the area.

#### Negative social impacts

We accept that the proposal could contribute to an increase in alcohol-related harm in the local and broader communities because of:

- the higher than average liquor licence density in Sydney and the Sydney LGA
- the premises being located in high crime hotspots for all types considered by the Authority
- the higher than average crime rates in Sydney and the Sydney LGA
- a higher than average level of alcohol-attributable hospitalisations in Sydney and the Sydney LGA.

However, we are satisfied that these risks are reduced by:

- the relatively small size of the area in which liquor will be sold or supplied
- an alcohol delivery service not being offered
- the relatively moderate licensed trading hours
- the absence of any objections from government agency stakeholders or members of the community
- the proposed premises being located within the World Square Shopping Centre and only being accessible from within the supermarket
- the harm-minimisation measures outlined in the plan of management and licence conditions, as set out in Schedule 1.

### The material we considered

We considered the following material when making our decision:

- The application material — including evidence that stakeholders and the community were notified about the application
- A community impact statement (CIS)
- The plan of the licensed premises and any authorisations
- A plan of management for the licensed business
- A development consent for the premises

- Statistics from Liquor & Gaming NSW, Bureau of Crime Statistics and Research, NSW Health and Australian Bureau of Statistics on the socio-economic status, liquor licence density, alcohol-related crimes rates and health issues in the local and broader communities
- Stakeholder submissions and the applicant's response to them.

We also considered [Guideline 6](#) to assess the likely social impact to the local and broader community.

Yours sincerely
