Dear Family and Friends of the School of the Art Institute of Chicago,

Response has been terrific to last year's Care Package Program. In fact, for this fall, there are even more choices of packages that you can send to your student in time for final projects.

After all, a generous selection of tasty treats delivered on campus is always appreciated. Plus, you get to add a personal note sending your love and encouragement.

Ordering is a snap. Just write your note and seal it in the yellow envelope. Fill out the envelope and order form below and mail them. Your card and package will arrive before the end of the semester.

The success of this program helps us to support all our student activities. All you've got to do is select the Care Package you want. Our goal is to get each and every family to participate.
