

# STICKY BANDITS WILD RETURN™

## STICKY BANDITS WILD RETURN

The old bandits are back in town, meaner and leaner. And they say all good things come in three, so we've added a new bad-ass bandit to the gang. This trio of desperadoes is ready to cause some serious havoc in a dingy saloon that's packed with whiskey, cigars, guns, and skulls – just as you'd expect in the wicked Wild West!

This gaming experience is every bit as thrilling as the first Sticky Bandits! The three bandits show up as both normal and massive symbols on the reels (up to 3x3!), and there's an extremely exciting shootout in the Free Spins Bonus where all the bandits can turn into Sticky Wilds!

And as always with Quickspin, we've of course added something completely new and unique to the mix. This time it's an old slot machine inside the game, with a jackpot that can multiply a win with 500x – so there's a chance to win BIG!

### Game Features

**Massive symbols**  
The bandits appear as massive symbols on the reels, covering up to 3x3 symbol positions! If a bandit is hit by a lucky shot in the Free Spins Bonus, the whole symbol transforms into Sticky Wilds.

**Quick Slot Bonus**  
This unique feature is a game inside the game! When a Quick Slot symbol lands on reel 5 in the base game, you get 1 to 3 spins in the Quick Slot machine.

You can win up to 500x your bet in one single spin!

**Lucky Shot Free Spins Bonus**  
3 Bonus Scatter symbols will trigger the Free Spins Bonus and 7 free spins! Any time a bandit appears on the reels, a lucky shot is fired that will transform a random symbol – bandits turn into Sticky Wilds and other symbols turn into Regular Wilds.
